

~~~ Dear Droners, here's the first update for the year 2025 ~~~~

three NEW exciting LABEL RELEASES OUT NOW :

- \* **META MEAT - Paths 10" (Substantia Innominate SUB-31)**: superb 4-track by the French experimental trance-masters: ethnic voices, handplayed drums, advanced electronic sounds.. - lim. 300, "hazy-red" coloured vinyl
- \* **TZESNE - Receptores CD (SYM:07)**: the always inspiring Basque artist, a master of 'transconscious' drone music, explores the mysteries of shortwave capturings, low fi hiss eruptions, unrecognizable noises of all kinds, a true "ether-therapy"
- \* **N & B.U.D.D.A. - 13 CD (SYM:08)**: a new work by the German/Swiss drone dreamteam, thematically based on the adventurous APOLLO 13 mission (April 1970), when the three astronauts circled around the moon several days...=> an absorbing, cinematic space drone-drama in five chapters, different moods and changes...

+ please consider our personal mailorder recommendations:

- ELLENDE - Plantation 10" (Smeerlappen) - warm & ethereal synth ambience that holds an almost surrealistic melancholy inside.. lim. 100 copies clear vinyl
- KLEISTWAHR - Where the Word is Never CD (Fourth Dimension) - pounding multi-layered noise + harmony agglomerations, dark menacing throb-drones, consoling guitar shimmers, even strings + emotional vocals, etc.. wow..
- OJERUM - Everything Wounded will Flow LP (Midira Records) - "the album unfolds as an imaginary four-part story of a wounded entity moving through various stages of introspection, dissociation, healing and decline."
- TEAHOUSE RADIO & SKELDOS - Night Moss CD (Hypnagoga Press) - collaboration album between PÄR BOSTRÖM (KAMMARHEIT) and Drone Rec. artist SKELDOS, so deep, sad and beautiful..
- [LAW RAH] COLLECTIVE - Introspection CD (Raubbau) - the dutch duo with three long "ghost drone" pieces, extremely amorph and enfolding in slow washes of mysterious, archaic sonics, more like a gigantic sculpture you can surround and live in...

Please send your orders & all communication to: [drone@dronerecords.de](mailto:drone@dronerecords.de), or use the order system on the website. Please always mention all the PRICES with your order! Full Stock List link at the bottom... & best drones from... BarAka[H]

| 6  | <b>ALIO DIE - Allegorical Traces (Part I)</b>           | CD                         | Hic Sunt Leones HSL 097                | 2019 | lost and found tracks from the archives, part 1 - this album holds one new A.D. track and 4 long, surprising collaborations with : XABEC (!), MARTINA GALVAGNI, OÖPHOI (the Italian ambient master who died in 2013, this track is almost 20 min. long), and French duo MANINKARI... - all unreleased before, shows the variety of STEFANO MUSSO's cooperations, a must for the true ALIO DIE fan! - lim. 200, 6 panel digipak                                                                                             | €15,00 |
| 7  | <b>ALIO DIE + PARALLEL WORLDS - The Utopian Blossom</b> | CD                         | Hic Sunt Leones HSL 104                | 2020 | the fruitful collaboration of ALIO DIE with Greek project PARALLEL WORLDS continues, acoustic sounds merge with electronic / synth waves (Buchla, Serge modulars and more) , this has a more flowing and improvised ethereal feel, never loosing the meditative character.- *expanding atmospheres, in a more organic and dilated form, the sounds are left free to unfold and mix, revealing vertical, engaging and transcendent ... hypnotic dimensions. Everything flows without interruption breathes and pulsates.. * | €15,00 |
| 8  | <b>ALVA NOTO - HYbr:ID III</b>                          | do-LP                      | Noton N-064                            | 2024 | *HYbr:ID III, continuing the trajectory established by its predecessors, crafts a soundscape of meditative and resonant tones. Drawing inspiration from Noh, a traditional Japanese musical drama dating back to the 14th century, the album reflects the genre's distinctive rhythmic movements and its nuanced expression of emotions through subtle gestures.* - spacious ambience and technoid spherics in perfection - the third volume in this series, lim. vinyl version                                            | €32,50 |
| 9  | <b>AMPTEXT - Seeds of Erasure</b>                       | mCD-R                      | 1000füssler 023                        | 2014 | a late discovery on Hamburgs "1000füssler" label, this two track mCDR (20 min.) by GARY ROUZER aka AMPTEXT, using objects - tapes - field recordings - cello he creates unusual and captivating atmospheric soundscapes, with hardly recognizable elements it's a trip into hissing subtlety and intimate sounds... - lim. 60 copies, printed cardboard gatefold sleeve                                                                                                                                                    | €7,00  |
| 10 | <b>AUBE / DSCHIM K. SANDBLEISTIFT - split</b>           | 10"                        | Punk Kein Rock / Licht-Ung             | 2006 | first release in a split-10" series on LICHT-UNG - complex noise from AUBE, feedback-brain-killer (or enlarger-?) tunes from DSCHIM, which seems to be another incarnation of the minimal noise project LICHT-UNG known from the Drone Records 7". Quite extreme, reminded us on stuff from STABAT MORS. Comes with german 5-cent stamp on Cover - lim. 276 copies , warehouse found, LAST COPIES !                                                                                                                        | €15,00 |
| 11 | <b>BAKER, AIDAN - Bach eingeschaltet - vierter Band</b> | 7"                         | Reue um Reue rur020                    | 2011 | last un-numbered copies of this most obscure 7": AIDAN BAKER interpreting J.S.BACH pieces: "Prelude" from Cello Suite # 1 in G Major (BWV 1007) and "Menuet II" from Cello Suite # 2 in D Minor (BWV 1008) in "drowning" and "drowned" versions ; comes on silver-grey vinyl                                                                                                                                                                                                                                               | €8,00  |
| 12 | <b>BAND OF PAIN - Uncle God's Pag Pag Banquet</b>       | do-CD + 12inch objectcover | Dirter Promotions - DPROM171           | 2024 | after a long time a new album by the British experimental / ambient industrial project, with amazing cover-art + collaborations: STEVEN STAPLETON of NURSE WITH WOUND is part of the guests and also did the glossy gatefold-artwork and etching for the (unplayable) 12", other contributions come from ANDREW LILES, JEAN-HERVE and JEANNE-MARIE PERSON (FAUST), and calligraphy by GEOFF COX ("England's Hidden Reverse") - the CDs function like vinyl sides !!                                                        | €30,00 |
| 13 | <b>BASINSKI, WILLIAM - September 23rd</b>               | LP                         | Temporary Residence Limited - TRR435LP | 2024 | unreleased piece from 1982, based on slow piano tunes he recorded already in the 70's.. - lim. ed. dark blue vinyl - "...it bears all the key trademarks of Basinski's musical concepts. Tape manipulation in various shapes and forms, constant repetition of phrases with intricate, minute, changes, with one constant – the deception of simplicity which is much more complex than piling up of notes upon notes.. " [Echoes and Dust]                                                                                | €34,00 |
| 14 | <b>BASINSKI, WILLIAM - Watermusic II</b>                | CD                         | 2o62-0302                              | 2005 | back in stock, originally a CDR from 2003, with a long (66 minutes) one-tracker...- "Some pieces don't necessarily have to 'go' anywhere in particular, their existence is simple enough in that it presents a mood, a moment, a place and encapsulates it. Think of still-images for the ears as opposed to moving-pictures for the eyes... " - comes in translucent shell case                                                                                                                                           | €16,00 |

|    |                                                                                                        |                          |                                              |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |        |

HEEMANN, but there are also more Avantgarde / Impro / Krautrock bands like SMEGMA, ALFRED HARTH, LA 1919, LA STPO, FAUST, etc. etc. - comes in white box with 88 page booklet, numbered ed. 250 copies!!</p>                                                            | <b>€52,50</b> |
| 97 | <b>V.A. - Anthology of Experimental Music from Canada</b>        | CD         | Unexplained Sounds Group USG099               | 2024 | <p>the newest Anthology focuses on rather unknown artists from Canada, of electro-acoustic, experimental, drone-ambient, not one of the 14 artists was known to us, lots of great material to explore : "Much of it is drone-based and seems generated with electronics, but the amount of territory covered is impressive given those parameters. There are mesmerizing held tones, waves of ambience, hints of busy field recordings, and swells that evoke movie soundtracks" [Luminous Dash] - 200 copies digipack</p>        | <b>€14,00</b> |
| 98 | <b>V.A. - Anthology of Experimental Music from Indonesia</b>     | CD         | Unexplained Sounds Group USG058               | 2020 | <p>the chance to discover an unknown territory, experimental / electronic music from INDONESIA, compiled by the never-sleeping RAFFAEL PEZZELA: "discover how traditional Indonesian music, even in its more 'primitive' forms, as well in the very elaborate and developed ones from Javanese and Balinese tradition, are still very much recognizable. The current mix of influences in the experimental and avant-garde music from this region has resulted in an extremely fascinating kaleidoscope of sounds" - lim. 200</p> | <b>€14,00</b> |
| 99 | <b>V.A. - Deep Red. A Tribute to the Cinema of DARIO ARGENTO</b> | CD         | Eighth Tower Records - ETR042                 | 2023 | <p>a compilation for the Italian horror movie director, whose films were often censored: 400 LONELY THINGS, G. BECUZZI, GREY FREQUENCY, KLOOB, MICHAEL BONAVVENTURE, JOEL GILARDINI, etc.. - "With his first cinematic foray, Argento</p>                                                                                                                                                                                                                                                                                         | <b>€14,00</b> |

|     |                                                       |              |                                     |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |        |

HENNIX, C.C. - Further Selections from the Harpsichord LP (Blank Forms Editions) - \*Rediscovered and compiled for release shortly before her death in November 2023, Further Selections from the Electric Harpsichord presents a never-before-heard

recording of composer and artist Catherine Christer Hennix's early magnum opus \* €28,00

JACKMAN, DAVID - Schining do-CD (Die Stadt) - part 5 in the "monolithic shifting structures" - series €18,00

JACKMAN, DAVID - Flames of Fire do-CD (Die Stadt) - part 6 in the "monolithic shifting structures" - series €15,00

N [HELLMUT NEIDHARDT] & GITANE DEMONE (CHRISTIAN DEATH!) - "Despair"-the Opera 4 x LP BOX (Sacred Hands) - the most amazing and surprising collaboration in 2024 we have experienced, comes in box with 28p. booklet + postcard! €115,00

KIRKEGAARD, JACOB - Snowblind LP (Helen Scarsdale) - \*kirkegaard turns to history, and a poetic, failed attempt for a team of swedish explorers to reach the north pole by balloon in the late 19th century.... \* €25,00

TONIUTTI, GIANCARLO - Baardum Guumuse CD (Anomalous Rec) new TONIUTTI work (one-tracker) on the legendary Anomalous Records from Seattle, sounds made \*from self-built idiophones made of glass, brass and wooden frames, metal tines and

steel plates, which nonetheless use no string, membrane, or air." - lim. 302 copies €16,00

PERNICE, LAURENT - Il y a les Ombres CD (Le Label Beige) - the newest album by the long active French composer (NOX) and sound artist forms an extremely versatile and musical experience, with many guest musicians on vocals (MAGMA, KLIMPEREI,

PALO ALTO, 2 KILOS & MORE / META MEAT), perfectly arranged... €13,00

NECKS, THE - Bleed LP (Northern Spy) - the Australian "jazz-impro-drone" legends in a very ambient mood, two side long tracks... - lim. ed on GREEN vinyl (black vinyl available too, and CD version) €30,50

TOY BIZARRE # INGEOS / COPPICE - Strategies Obliques II LP (Ferns Recordings) - next volume in the great Ferns series, and the return of Drone Rec. artist TOY BIZARRE ! €23,00

MIZUTANI, KIYOSHI - Actual Infinity 2 / Variations CD (Ferns) - re-issue of a cassette from 1990 => strange machine-noises and hisses mixed with flute (!), metal objects, unidentifiable buzzings, tape manipulations, etc. a noise collage impro that hardly resembles anything else.. - lim. 150 copies €13,00

IRISARRI, RAFAEL ANTON - FACADISMS LP (Black Knoll) two different colours each lim. 250 €29,50

BERTOIA, HARRY - Mechanization I & II LP (Sonambient) \*Harry Bertoia shows why he may have been the first industrial musician. Bertoia often referred to his sound sculptures as a "collaboration with industry" and on this new LP Bertoia is intentionally

creating heavy, rhythmic music he described as "mechanized," "mechanical" and "factory like." \* - recordings from 1971 !! Metallic Ink cover ! €28,50

LEGENDARY PINK DOTS - Live in Kontich do-LP (Fractal Records) rare live-LP, recorded 1986 in Belgium, feat. the "legendary" line up with PATRICK PAGANINI .. - 217 copies only €39,50

400 LONELY THINGS - The New Twilight CD (Cold Spring) - after the great "Mother Moon" CD a new work by the US American, with interesting concept, using as sound sources only original VHS horrorfilm cassettes... € 15,00

CHALK, ANDREW - Dioramas LP (An'archives) - 15 warm ambient miniatures coming on 180 gr. vinyl in a nicely designed art-cover with OBI, large insert and postcard... € 35,00

BARAKA[H] - ILLUMINESCENCE (extended) LP (La Faculte) - first LP by the one half of TROUM, a re-issue of the EP on taalem, plus the two tracks from the bonus lathe-cut 7", and two new tracks finished 2024; lim. 280 copies on clear vinyl €22,22

last but not least, the following Kontakt Audio / Infinite Fog releases will be in stock soon:
