

~~~ Dear Droners, here's the Newsflash for March 2026 ~~~

**LABEL NEWS : OUT NOW ! INADE & TROUM - To Pan Eon 10"** [Substantia Innominata SUB-32] - 4 track EP, inspired and dedicated to the eternal circles in human and cosmic life... comes on dark shining three-colour mix (clear + red + black) vinyl, lim. ed. 500 copies

... our personal faves in this update include the MULTIFORM-drones of MOLJEBKA PVLSE (do-CD on taalem), the ANNEA LOCKWOOD LP with 'concrete' drones from the peace lines in Belfast, the incredible HOUSEHOLD OBJECTS do-CD (a must for any PINK FLOYD specialist), the ROSY PARLANE LP of droning beauty, the mysterious VON HAUSSWOLFF album on Moloko+, the deeply poetic ANNIE A. LP, anti-colonisation drones from CONCEPCION HUERTA on cassette and don't miss the two older STEFAN WESOLOWSKI CDs with sacral neo-classic dying beauty... and and and..

please send your orders & all communication to: [drone@dronerecords.de](mailto:drone@dronerecords.de), or use the order system on the website. Please always mention the **PRICES** with your order! **Full Stock List** link at the bottom... & best drones from... BarAka[H]

Studio &amp; Live Recordings 1982-1985</b> | 4 x CD | Artobject Records AOF479CD                                       | 2025 | early, rare or so far unreleased material 1982-1985, for example the very first cassette "Strength of Metal in Motion" (1983), unreleased JOHN PEEL sessions, Berlin Atonal and Hamburg Markthalle recordings (1985) = all in all 42 tracks, of which 26 are new to the CD format, and 12 are previously unreleased! Comes in 5 panel ecopak + 24 page booklet                                                                                                                                             | €38,00 |
| 85 | <b>THAT'S HOW I FIGHT - Movement Three</b>                                      | LP     | ZOHAR 325-1, esion – ESN003LP                                    | 2024 | third album of this Polish band (4-5 members) that improvises without any pre-conceptions in a most psychedelic, ambient and meditative way, from many hours of floating recording sessions they have selected three long washes of warm magma for this LP...~it invites you to a deep spiritual journey, close to the primal, even shamanic contact with the fleeting matter of sound~ - 300 copies                                                                                                       | €18,50 |
| 86 | <b>THIGHPAULSANDRA - Acid &amp; Ecstasy</b>                                     | CD     | Retractor - 011                                                  | 2025 | TPS is back with seven ~maximalist~ genre crossing tracks that can only astonish = most expressive, emotional and eccentric, continues where "Golden Communion" ended, feat. SION ORGON and many more... - "Dieses Kaleidoskop aus Stilen und Sounds ist im positivsten Wortsinne erschöpfende Musik, die unglaublich aufregend ist." [African Paper] - "glitzy pop-tastics skewered in plenty of Stockhausen detours and atonal splurges..." [Freq]                                                       | €15,00 |
| 87 | <b>TIETCHENS / WOLLSCHIED - Fundstück September 02</b>                          | CD     | Klanggalerie gg501                                               | 2025 | archive found in ASMUS TIETCHEN's flat in Hamburg => a more than 20 year old collaboration with ACHIM WOLLSCHIED, originally made for the RITORNELLE label, which got never released... - cryptic, alienated, very experimental sounds and tunes... - "concerning the original ideas of recycling, this is a fine example of how these things can endlessly take new shapes." [FdW / Vital Weekly] - lim. digipak                                                                                          | €15,00 |
| 88 | <b>TONIUTTI, MASSIMO - Shanghai Files - 6 (or more) Ring-Shaped Films</b>       | CD     | Fungal Editions - 0001                                           | 2025 | excellent stereo adaption of an environmental installation work from 2007, dark metallic drones with voice-clusters entering... - "Much like STEVEN RODEN's work, these sounds overlap in numerous ways, never forming the same configuration twice. Unlike Roden's work, Toniutti's music on '41 Ring-Shaped Films', as the central piece is called, isn't as ambient and follows a slightly more cut-up feeling, moving through vastly different landscapes..." [FdW] - on DARREN TATE's label, lim. 150 | €15,00 |
| 89 | <b>UP TO 23 - Hydor LP</b>                                                      | CD     | Silentes / 13(3) - sps2484                                       | 2024 | a new (?) Italian ambient / electronic duo with first album, being inspired by the topic WATER, feat. ENRICO CONIGLIO on two tracks... - *From vast seascapes to the depths of the underwater world, the album aims to capture the power and tranquility of this elemental force, shifting between dark tones, ethereal visions and cinematic moods.* - lim. 200, to discover !                                                                                                                            | €13,00 |
| 90 | <b>VESTIGIAL - Descending Vastness</b>                                          | CD     | Cyclic Law 257th Cycle                                           | 2025 | after many years the return of Italy's dark ambient project, a journey into the darkest corners of the Inner World => *an atavistic, liberating chant echoing through the oppressive ruins of contemporary society. It is both a confrontation and a requiem, composed at the intersection of horror and serenity, destruction and renewal.* - 300 copies, six panel digisleeve                                                                                                                            | €14,00 |
| 91 | <b>VON HAUSSWOLFF, CM - Energy Unveiled and Re-Formed - EVP Experiments</b>     | CD     | Moloko+ PLUS 154                                                 | 2023 | mysterious dronescapes based on EVP-recordings VON HAUSSWOLFF & M. ESPOSITO made: 1) The Drottningholm Palace Theatre in Stockholm + 2) outside the apartment in Mexico City where W.S.BURROUGHS shot his wife in 1951 (!) - this has lots of organic "breathing" elements and a meditative and unreal effect, just excellent! 2 tracks 44 min. - great cover-art by ROBERT SCHALINSKI (COLUMN ONE)                                                                                                        | €15,00 |
| 92 | <b>V.A. - ANS ELECTRONIC MUSIC</b>                                              | CD     | Cold Spring - CSR307CD                                           | 2025 | the 2nd compilation with rare material produced on the unique Soviet ANS, a machine that was developed from 1937-1957, working with glass plates and light transformig into sounds, able to play 720 voices simultaneously!! This is the re-                                                                                                                                                                                                                                                               | €15,00 |

|     |                                                              |       |                                         |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |        |
