

~~~ Dear Droners, here's the second update for the year 2025 ~~~~

...in this update, you find some great brand new releases, newly re-issued albums and some re-listings (some for very low prices) from the likes of: ULTRA MILKMAIDS, VIDEO-AVENTURES, G. BECUZZI, KLAUS LANG, PHILL NIBLOCK, EVAPORI (BarakaH-recommended!), ORPHANAGE COMMITTEE, PACIFIC 231 (jet engine sounds!), ELLENDE (stunning 10" + artbook boxset), CC HENNIX, ZERO KAMA, STEFANO PILIA, K. MIZUTANI, HARRY BERTOIA (recommended highlight!), N with GITANE DEMONE (crazy LP-boxset), JACOB KIRKEGAARD, DDAA, COLIN ANDREW SHEFFIELD (tip!), PARMEGIANI + BAYLE 4 LP (mega-recommended), some all-time faves like NWW, LPD, COIL, M.B., and so much more...

Please send your orders & all communication to: [drone@dronerecords.de](mailto:drone@dronerecords.de), or use the order system on the website. Please always mention the **PRICES** with your order!  
**Full Stock List** link at the bottom... & best drones from... BarAka[H]

| 1   | <b>400 LONELY THINGS - The New Twilight</b>        | CD     | Cold Spring - CSR341CD                       | 2024  | after the great "Mother Moon" album a new work by the US American project with interesting concept, using as sound sources only original VHS horrorfilm cassettes...<br>- "Explore grimy palimpsests from the film studio to the grindhouse with 400 Lonely Things in "The New Twilight": eleven creepy yet sublime analogue microdoses of vintage genre and exploitation audio sampled and filtered through the darkly ambient, melodically droning, melancholic nerd soul.*                | <b>€15,00</b> |
| 2   | <b>BAD ALCHEMY - No. 127 (Febr. 2025)</b>          | mag    | Bad Alchemy                                  | 2025  | "THE WIRE's TOP TEN im BA-Check", I SHALL SING.. (releases and thoughts), JEAN-JACQUES BIRGE (ETRON FOU LELOUBLAN), RUNE GRAMMOFON, SABA ALIZADEH, KLANGGALERIE, ATTENUATION CIRCUIT, AUF ABWEGEN, CRONICA, CYCLIC LAW, KARLRECORDS, DAVID MYERS, NEUS-318 (K. ISHIGAMI-label aus Japan), PENULTIMATE PRESS, RECORDINGS FOR THE SUMMER, UNEXPLAINED SOUNDS GROUP, CARSTEN VOLLMER, etc. 88 Seiten full of artistic life !!                                                                   | <b>€4,00</b>  |
| 3   | <b>BARAKA[H] - ILLUMINESCENCE (extended)</b>       | LP     | La Faculte - FAC01                           | 2025  | first LP by the one half of TROUM, a re-issue of the EP on taalem, plus the two tracks from the bonus lathe-cut 7", and two new tracks finished 2024; lim. 280 copies on clear vinyl, cover design by HITOSHI KOJO, mastering AIDAN BAKER. First release on new French label !! " Miniatures of the eternal yearning and shimmering nostalgia. "                                                                                                                                             | <b>€22,22</b> |
| 4   | <b>BASINSKI, WILLIAM - September 23rd</b>          | CD     | Temporary Residence Limited - TRR435         | 2024  | unreleased piece from 1982, based on slow piano tunes he recorded already in the 70's... 40+ min. one-tracker, CD version                                                                                                                                                                                                                                                                                                                                                                    | <b>€15,00</b> |
| 5   | <b>BECUZZI, GIANLUCA - Voices (for solo voice)</b> | CD     | Luce Sia 071                                 | 2020  | the always inspiring Italian composer used solely his own VOICE material for this album, treated in various possible ways with astonishing result between drone- and ritualistic post industrial... - *The study of tribal rituals of some primitive cultures has been the main source of inspiration for my work..*, working out *the relationship between yesterday and today, between us and our ancestral memory, between ancient mystics and modern technologies..* - ed. of 190 copies | <b>€13,00</b> |
| 6   | <b>BEGAYER - Evohe Begue</b>                       | LP     | Via Parigi VIA07LP / Murailles Music - MM034 | 2024  | very special French "ethno / folk / noise / experimentalism" group with LOUP UBERTO, incredible mix of styles inspired by "Evohé", the song of the Bacchants.. - * French Chanson, Noise, echoes of music from faraway and long ago, modified radio transistors and other old electronic gear, French song, noisemakers, rumours of ancient and distant music, handmade instruments, modified transistor radios and other old electronic objects...*                                         | <b>€25,00</b> |
| 7   | <b>BERTOIA, HARRY - Mechanization I &amp; II</b>   | LP     | Sonambient - F/W 1040                        | 2024  | *Harry Bertoia shows why he may have been the first industrial musician. Bertoia often referred to his sound sculptures as a "collaboration with industry" and on this new LP Bertoia is intentionally creating heavy, rhythmic music he described as "mechanized," "mechanical" and "factory like." * - recordings from 1971, indeed very machine-like & noisy, what a sound, we love it !! Metallic Ink cover, 500 copies                                                                  | <b>€28,50</b> |

|    |                                                                                                         |        |                                           |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |        |

| 8  | <b>BIG CITY ORCHESTRA - Impetuoso</b>                                                                   | MC     | Impulsy Stetoskopu 037                    | 2013 | another trip into BCO's very own dimension of enchanting ambientscapes, unbelievable weird collages + rumbling drones.... C-90, lim. 100, printed aluminium foil cover with extra fragile black paper sleeve, very handmade, numbered on golden sticker. BACK IN STOCK this very rare tape, last copies!!                                                                                                                                                                                                     | €10,00 |
| 9  | <b>BRUME - Synchronicity &amp; Wandering Current</b>                                                    | CD     | Zoharum - ZOHAR 338-2                     | 2024 | new concept album in three parts, feat. diverse guest musicians (i.e. JOHANATHAN GRIEVE / HASTINGS OF MALAWI)... - *With each successively sounding fragment, a narrative is realized in real time, intended to provoke the listener into multiple, in-depth and multi-layered reinterpretations. Thus, the creator invites his listener to co-create a work that is not completely closed, but with each listening allows for multiple, infinitely different realizations.* - about 60 min. length, lim. 300 | €13,00 |
| 10 | <b>BÜTTNER, GREGORY - Pochen - - Oder : Mit Nachschleifendem Zwirnsfaden Die Treppe Hinunterkollern</b> | CD     | Herbal International - Concrete Disc 1402 | 2014 | oder: "Mit Nachschleifendem Zwirnsfaden Die Treppe Hinunterkollern" - 'inspiring recordings made in a huge French building (PAF-Performance Arts Forum), which was formerly a convent school and monastery, using the house as a sound generator, resonant space and instrument; "breathing wood planks, flickering light switches, various forms of resonating objects,etc.." - the result is a 41+ one-tracker mix of curious sound art noise..                                                             | €13,00 |
| 11 | <b>B*TONG - {Mass}</b>                                                                                  | do-CD  | Zoharum - ZOHAR 326-2                     | 2024 | epic double album by the versatile Swiss composer (also member of BU.D.D.A.) => 6 long tracks, developing an exceptional, captivating exp. ambient style (with guitars, vocals...) - *fieldrecording phrases, drone structures to guitar, almost post-rock quasi songs... - it is a soft and tender twilight harbouring secrets and mysteries- and the potential of light. The hopefulness of a vessel traversing the nigh-on infinite seas of blackness towards some distant star" - 300 copies              | €17,00 |
| 12 | <b>CAPRICORNI PNEUMATICI - Lake of Fire</b>                                                             | CD     | ADN (Alma De Nieto) - DNN 009 C           | 2017 | *Lake of Fire is the second part of 30th Anniversary collection by C.P., issued by ADN. Percussions, vocals, bowed harp guitar, electronics ,treatments and the voice of surrealist writer ANTONIN ARTAUD on one track, create more than 70 minutes of dark electronic Sabbath. This is not music for airports or supermarkets but a dense flood of magma reaching your auditive sensors and sometimes even your cerebral cortex.* - NEW / so far unreleased material !!                                      | €13,00 |
| 13 | <b>CASAS, CARLOS - Mutia</b>                                                                            | do-LP  | Matiere Memoire MATME-002LP               | 2019 | the Spanish soundartist and film-maker CARLOS CASAS created a highly atmospheric / surrealist documentary named CEMETERY about an "Elephant Graveyard" in Sri Lanka (2019) => MUTIA uses the field recordings made for the film, radio frequencies and electronics, and contains four contemplative side long pieces, plus 2 on the second LP and more bonus material via DL code - lim. ed. GREEN vinyl, gatefold cover, nice price now!!                                                                    | €20,00 |
| 14 | <b>COIL vs ELpH - Born Again Pagans (30th Anniversary extended edition)</b>                             | do-CD  | Infinite Fog Productions IF-121CD         | 2025 | new anthology re-edition which collects all of the ElpH material which didn't appear on their later "Worship the Glitch" album, namely the pHILM #1 10", a host of very rare compilation tracks as well as a number of at the time unreleased pieces in the same vein...(incl. the RASTER NOTON 20' to 2000 series mCD); re-mastered + comes with mini poster replica                                                                                                                                         | €26,00 |
| 15 | <b>COIL vs ELpH - Born Again Pagans (30th Anniversary extended edition)</b>                             | 3 x LP | Infinite Fog Productions IF-121           | 2025 | new anthology re-edition which collects all of the ElpH material which didn't appear on their later "Worship the Glitch" album, namely the pHILM #1 10", a host of very rare compilation tracks as well as a number of at the time unreleased pieces in the same vein...(incl. the RASTER NOTON 20' to 2000 series mCD); re-mastered, comes in a deluxe hardcover triple-gatefold with poster, BLACK vinyl edition                                                                                            | €59,50 |
| 16 | <b>COIL / NINE INCH NAILS - Recoiled</b>                                                                | LP     | Cold Spring CSR193LP                      | 2024 | the so far unreleased COIL-remixes of NINE INCH NAILS-material, 5 long tracks... back in print ! - " Recoiled is a rambunctious alchemy, of magikal Coil sensibilities and hi-tech home circa 90's mixing technique, all fused in the cave-like early studios of Danny Hyde / Peter Christopherson.. * - BLACK vinyl - heavy glossy sleeve with printed inner sleeve.                                                                                                                                         | €23,50 |
| 17 | <b>CONJECTURE - V (ext. edit)</b>                                                                       | CD     | Zoharum - ZOHAR 321-2                     | 2024 | excellent electro-rhythmic industrial / dark ambient / IDM from Greece, arranged with a great focus on atmosphere and tension, this is the CD issue of the LP from 2019, with 3 rare bonus tracks and 5 bonus remixes!! - " V" is an anti-body statement. The individual's disengagement from the human body and from all kinds of physical hypostases is portrayed through unconventional industrial sound forms. Sometimes oneiric, sometimes frozen and aggressive, while at the same somewhat erotic."    | €13,00 |

This music is definitely exotic and definitely erotic -- not pleasantly but disturbingly. The sinister timbres are seductive and jarring.." [All Music.com]                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | €17,50 |

**RECENT ARRIVALS: (en detail in the next Newsflash, but you can order already now, they are in stock or will be in stock in a few days!) :**

- V.A. - The Sounds of Sound Sculpture LP (Art Into Life) - re-issue of LP from 1975 with original recordings made at the Vancouver Art Gallery: incredible stuff from HARRY BERTOIA, STEFAN VON HUENE, etc... € 30,00
- ENSEMBLE NEON - NIBLOCK / LAMB - Niblock + Lamb CD (Hubro) - Norway's ENSEMBLE NEON performs two drone-based pieces: PHILL NIBLOCK "To Two Tea Roses" (23 min), recorded live, and "Parallaxis Forma" by CATHERINE LAMB (studio recording, 25+ min.), a must for "instrumental drone" fans .. €14,00
- NOTO - Infinity (Endless Loop Color Edition) 12 x 10" BOX (The Vinyl Factory) - collector's item! incredible 10" set with 12 different coloured records, each contains 20 lock grooves, based on NOTONs installation "Bausatz Noto" at the Vinyl Factory, comes in handmade box with debossed artwork and 16 page booklet with photos from the installation, each hand-signed and numbered by CARSTEN NICOLAI... €209,50
- METAYER, ROXANE - Adage Vestige LP (Matiere Memoire) - violin, wind instruments, percussion, voice, a secretful own world between folk and experimental music unfolds when you listen to this nature-magic LP, by this Brussel based artist ... - lim. 200 white green marbled vinyl € 23,00
- HAIGH, ROBERT - Tempus Fugit CD (Siren Records) - a collection of rare and unreleased material from the time of his solo piano trilogy (2009-2011) and "The Silence of Ghosts (2015) €14,00
- BONNET, FRANCOIS J. / SARAH DAVACHI - Banshee / Basse Brevis LP (Portraits GRM) \*The work combines moments of formal exploration with moments of pure emotion in a perfectly mastered fashion\* €25,00
- WIN YONG, FLORA / SEBASTIEN ROUX - Trigram for Earth LP (Portraits GRM) - FLORA WIN YONG with a highly interesting piece, inspired by the eight-sided PAKUA MIRRORS, going through various stages.. €25,00
- EARTH - WEM DOMINATOR (Live in London NW1, 2016) LP (Fire Records) recordings from a live performance in London when they shared the stage with NEUROSIS- comes on limited "dark star" vinyl €36,00
- AMPHIOR - Disappearing CD (Glacial Movements) - second album by this Danish ambient project, comes in luxurious package, lim. 100 ! €18,00
- BOSCH, LIA - Polar Code CD (Glacial Movements) - female ambient newcomer! \*Polar Code unfolds through a story set in an abandoned alien base in Antarctica, a remote and mysterious location where ancient human experiments once took place. €16,00
- SORRY FOR LAUGHING - Rain Flowers do-CD (Klanggalerie) - GORDON H. WITLOW (MNEMONISTS, BIOTA) arranged again a collection of tracks, many of them new interpretations of "traditionals", feat. MARTYN BATES and EDWARD KA-SPEL but also other BIOTA members and PATRICK Q-WRIGHT (LPD).. - \*"And thats perhaps the album's most poetic gift: its embrace of the liminal, the marginal, the in-between. These pieces operate in the cracks between genres, between tradition and experiment, memory and invention" [Chain D.L.K.] €20,00
- ENGLISH, LAWRENCE - A Colour for Autumn LP Room40 2024 : 15th Anniversary Edition of L.E. album from 2009! - \*Climate change, as a lived experience and not merely as a 'possibility', suddenly came into focus with reports flooding in about the climatic dynamics since the turn of the century and events like the Black Saturday fires here in Australia.\* €27,50

+ plus some rare industrial vinyls from Cloister Rec., US-imports:

- BRIGHTER DEATH NOW - No Decency do-LP - re-issue of a rare tape from 2019 with raw rehearsal recordings for the American tour, it's the BDN experience as it should be... 250 copies €44,00
- HIMUKALT / SUBKLINIK - Seven Memories / Human Meat LP pairing of two cult noise projects ! €35,00
- TREPANERINGSRITUALEN - Septentrional LP re-issue of extremely rare cassette from 2019 (Hanson Rec.) - lim. 250 copies, with double sided inlay €36,00

+ finally, a bunch of new latest Unfathomless CD arrived, our favourite label for experimental + subtle field recording concepts, all CDs €14,00 and come with beautiful artwork:

- SANSON, GIL - Con Richard (Por La Adversidad A Las Estrellas) CD - U80 - "The hum of traffic from afar brings back fragments of memories from the past" .. a one-tracker of truly unconscious music
- JERMAN, JEPH - Registro de Piedra CD - U81 - this awesome album is dealing with the theme "place memories" and the possibility of recordings "ghost voices"..
- IMANISHI, MASAYUKI - Asphalt / Concrete CD - U82 - two extremely subtle field recording pieces on IMANISHI's second CD for U., everyday and nature-sounds were processed into a "magic potion" of sublimeness... -
- RISTIC, MANJA / MURMER - The Scaffold CD - U83 - collaboration done during the pandemia, MURMER provided a "singing scaffold"..
- FLETINA - Serrof CD U- U84 - fascinating sounds from the boiler room of a swimming pool, and the swimming pool gurgles and sloshes itself!

MC FALL, CHRISTOPHER - I throw the Switches on the Midnight Snake CD- U85 - a composition created from field rec. captured along several train lines in Kansas City...  
CUGLIARI, MARCELO - Void Sessions CD - U86 - impressive work about "Emptiness" (meant both in the sense ) by this newcomer from Buenos Aires  
PETERS, COLE - A Recasting of Indices CD -U87 - COLE PETERS visited places he once called home, from his past, and collected recordings to start a long process of audio creation...

**+ some PRE ORDERS: (all come in June / July '25), prices t.b.a. - not fixed yet:**

BIOSPHERE - The Way Of Tlme LP or CD (AD 93) - takes loose inspiration from Elizabeth Madox Roberts' novel The Time Of Man, sampling Joan Lorrington's voice from the 1951 radio play adaptation of the novel  
V.A. - When Worlds Collide do-LP (Fourth Dimension) - label compilation with unpublished material, artwork by puppy38/HIROSHIMABEND: Featuring Alternative TV, Nick Mott, Bass Communion, Sion Orgon, Theme, Final, Edward Ka-Spel, Ashtray Navigations, Band of Pain, Senestra, Kleistwahr, and Splintered. 500 copies  
COIL - Black Antlers do-LP (clear or black vinyl) or CD (DAIS) - e-issue of the album that was started in 2004 and completed in 2006 after Jhonn Balance's death.. \*Black Antlers showcases late-period Coil at their purest: stripped down, tighter, and leaner. The music became more rhythmic, with a greater emphasis on beats\*  
O'MALLEY, STEPHEN - But remember what you have had LP ( Portraits GRM ) - 'delves into the deep intricacies between polyphony, intonation and timbrality, enhanced by melodic motifs. '  
O'ROURKE, JIM - Shutting Down Here LP ( Portraits GRM ) re-press of very first album in this series, from 2019 - "a piece shaped like a universe, a heterogeneous world in which collides the multiple musical facets of Jim O'Rourke: instrumental writing, field recordings, electronic textures, and cybernetic becomings, dynamic spaces, harmonic spaces, silent spans."
