

~~~ Dear Droners, here's the Newsflash for October / November 2025 ~~~

After a longer than planned break (also caused by some festival activities, like visiting the "once-in-a-lifetime" VOD-festival for example) we're finally back with a new update! Some (personal) favourites include *AMBIENT KOAN* by "VIZ" MICHAEL KREMIETZ (ZEN flute + more), the DEISON / CRANIOCLAST "*Cold Star*" CD or MICHAEL BEGGs new album "*Witness*", PHELIOS "romantic" dark ambience on *Obsidian Forest*, "*The Sounds of Sound Sculpture*" cabinet of wonder LP re-issue, JEAN-LUC GUIONNETs impressing electro-acoustic / orchestra piece *Tournures Cessent* or LAIBACHs emotionally overwhelming "*Alamut*"... ..which you can all discover below along with lots of new entries plus re-listings and special offers.. a last update for this year shall follow mid December!

please send your orders & all communication to: [drone@dronerecords.de](mailto:drone@dronerecords.de), or use the order system on the website. **Please always mention the PRICES with your order!** **Full Stock List** link at the bottom... & best drones from... BarAka[H]

| 1   | <b>15 DEGREES BELOW ZERO - Between Checks and Artillery. Between Work and Image</b> | 10"    | Angle Records A.R.10.03                                  | 2007  | "Exzellente 2-track 10" dieses US-Trios, die sich hier weniger "industriell-elektronisch" als eher minimal Gitarren-dronig mit Hang zum Monumentalen zeigen...- anschwellende Gitarren-Anschläge, tiefe Drones, Rausch-Effekte, allmächtige Crescendi, erhabene Weiten & wuchtige Pulses... - first vinyl for this trio from San Francisco with MARK WILSON / CONURE ; lim. 500 copies, BACK IN STOCK , SPECIAL PRICED now                                                                        | €8,00  |
| 2   | <b>2KILOS &amp; MORE - Kurz vor5</b>                                                | CD     | Audophob .- auphcd018                                    | 2012  | their third album feat. VON MAGNET and BLACK SIFICHI, cinematic compositions with live drums and guitar sounds... - *Using samples and digital sounds, the duo composes by improvising on long evolving sound waves. They shape every song like a journey through sonic universe, playing with tension and surges punctuated by instrumental interventions, often reminding us of the cinematographic world of DAVID LYNCH or STEVEN SODERBERGH (Solaris)* - special offer now!                   | €7,00  |
| 3   | <b>400 LONELY THINGS - Subdivisions</b>                                             | CD     | Unexplained Sounds Group<br>USG102 / Dissipatio DISS 031 | 2025  | third proper CD release after the return in 2020, 13 new tracks of emotive + nostalgic, dreamlike "Dark New Age for the New Dark Age"... "the project is still attached to the singular process of degradation—evoking memory, loss, and the inevitable corruption of time.." [Igloo Mag.] - lim. to 200 copies only!                                                                                                                                                                             | €14,00 |
| 4   | <b>ALIZADEH, SABA - Temple of Hope</b>                                              | LP     | 30M Records SMR 006-1                                    | 2025  | "How can a sense of beauty be found amidst fear and cruelty?" - third album by this gifted Iranian composer and master of the KAMANCHEH, between unrelenting power and melancholic expanses, a homage to the people of his homeland... : "Saba Alizadeh combines the traditional string instrument Kamancheh with strings, modular synthesizers, and a no-input mixer. This results in a tense sound that explores the speechlessness and torn emotions between suffering, rebellion, and hope.*" | €24,00 |
| 5   | <b>ALVA NOTO - Xerrox Vol. 5</b>                                                    | CD     | NOTON N-062-1                                            | 2024  | the final installment in the XERROX series that started with first recordings in 2005/2006 and the concept of creating copies of images, both visual and acoustic. - *reflects a growing influence of classical instrumentation. The sonic atmosphere of Xerrox Vol. 5 is one of profound dissolution.*                                                                                                                                                                                           | €18,00 |
| 6   | <b>ANIMIST ORCHESTRA - Wuwei</b>                                                    | CD     | Anomalous Records NOM 14                                 | 2002  | ANIMIST ORCHESTRA was an incredible, experimental improvisation group with JEPH JERMAN, ROBERT MILLIS, MIKE SHANNON, DAVE KNOTT, JEFFERY TAYLOR (CLIMAX GOLDEN TWINS) and others in Seattle, who used only "natural objects" such as stones, shells, pine cones or feathers for their group sessions... "Wuwei", their only proper CD release, feat. two almost half hour long sets, connects with the unusual inner "life" and sounds of these non-musical instruments..                         | €15,00 |

|    |                                                                                              |           |                                     |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |        |

| 9  | <b>BEGG, MICHAEL - Witness: Ambient Chamber Works 2020-2024</b>                              | CD        | Omnempahty - OMCD14                 | 2025 | collection of material from the past 5 years, connecting different "data composition" projects with scientific background - *earth monitoring satellites, earthquakes, ionospheric lightning strikes, the clean night air of lockdown, receding Arctic ice, mutated migrations and currents, collapsing glaciers, the cycles of deep time and the collapse of predictable weather cycles... * == outstanding orchestral ambience works, feat. FOVEA HEX, ZOVJET FRANCE and THE BLACK GLASS ENSEMBLE                             | €15,00 |
| 10 | <b>BIOTA / MNEMONISTS - Musique Actuelle 1990</b>                                            | CD        | Anomalous Records NOM 25            | 2004 | back in stock this album with live-recordings from 1990 (Montreal) => 9 musicians on stage - 3 band-members doing live-processing at the same time ! Unique stuff ! "...Stets wurde live mit einem Riesenarsenal an Leuten + Instrumenten improvisiert, um das ganze dann später studientechnisch auf unnachahmliche Weise zu verfremden... Hier sind 4 bisher unveröffentlichte Stücke, die für ein Festival 1990 eingespielt wurden. Unnachahmlich fremdartig harmonisch, bizarr und doch von einer eigenartigen Schönheit.." | €15,00 |
| 11 | <b>BOSCH, LIA - Polar Code</b>                                                               | CD        | Glacial Movements - GM056           | 2025 | first album of female ambient newcomer - a rich and versatile cinematic journey based on a fictional story, unfolding on 12 tracks... - *Polar Code unfolds through a story set in an abandoned alien base in Antarctica, a remote and mysterious location where ancient human experiments once took place.* - lim. ed. comes in a digipack with a 6 pages glued booklet with photos                                                                                                                                            | €16,00 |
| 12 | <b>BUTZMANN, FRIEDER - juHrop - Szenen und Arien aus einer Oper in klingonischer Sprache</b> | do-CD BOX | Youdonthavetocallitmusic - YUUDO 08 | 2024 | mind-boggling "opera" about the extraterrestrial KLINGONS who are known as "martial bullheads" but also love music, poetry and SHAKESPEARE.. - produced 1996-2001 with DIAMANDA GALAS and many more, lim. 250, special 12" box, 12" booklet - *A unique amalgamated mixture of lysergic electronica, an aural whirlwind filled with surreal ramblings, tape collages, field recording, phone calls, roaring sounds, chirping cricket orchestras, squealing sound fragments of synthesizers galore.* [Soundohm]                  | €28,50 |
| 13 | <b>B*TONG - Zenihilist</b>                                                                   | CD        | Krater Recordings - KR05-015        | 2025 | this album marks 20 years of the Swiss project! - * 'Zenihilist' playfully sides nihilism with the mystic teachings of ZEN. The title is not only a word-play on zen and nihilism, but also a pun on an ordinary German's pronunciation of the English word 'the'.. * - 4 tracks 51+ minutes, dark and haunting immersive dronescapes with occasional voice additives..                                                                                                                                                         | €13,00 |
| 14 | <b>ChRYSTABELL &amp; DAVID LYNCH - Cellophane Memories</b>                                   | LP        | Sacred Bones Records SBR-344        | 2024 | collaboration by the late DAVID LYNCH, legendary film-maker who died Jan. 16, 2025, with CHRYSTA BELL, who became also an actor in Twin Peaks => ethereal dream pop at its best, synths come from ANGELO BADALAMENTI, lyrics from the master himself.. - *shapeless atmospheres of color, weather and breath: blue and white skies, red roses, darkening thunderheads, swirling winds and summer perfumes, which quickly immerse the traveler in the supernatural sensations of other worlds..* - CLEAR vinyl ed                | €25,00 |
| 15 | <b>CINDYTALK - Camouflage Heart</b>                                                          | LP        | Dais Records - DAIS214              | 2025 | re-issue of cult album from 1984, the first from the Scottish (at that time, a trio) CINDYTALK with heavy post punk / industrial influences, so dark and angry... -* plays with tension and pace, from creeping to feverish to claustrophobic. The percussion moves between restless marches and barely-there pulses; for some parts, they scratched and hit a tin bath, among other objects. Guitar lines vibrate and stab as Cinder contorts her voice freely * - lim. CLEAR VINYL                                            | €25,00 |

|    |                                                                     |            |                                                |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |         |

| 17 | <b>C: DAVIS - Dissolution of Death</b>                              | CD         | Death Continues Records DCRCD019               | 2024 | death industrial project of CHAD DAVIS (SUBKLINIK, etc.) from San Francisco => old school analogue noise drones with minimal effects, abrasive grinding, rasping delays, metallic squeals, endless echo chambers... all very low-fi and there's no sign of light.. - great reminiscence and sounds like an updated version of classic MAURIZIO BIANCHI... recommended !!                                                                                                                                   | €13,00  |
| 18 | <b>DEISON / CRANIOCLAST - Cold Star: A Noise Inc.</b>               | CD         | Silentes / 13(3) - sps2487                     | 2025 | maybe the collaboration of the year, for five years DEISON and CRANIOCLAST exchanged + processed their materials in a cyclic process, the outcome (8 tracks) is sublime and subliminal ('dark oceanic' we would call it), enigmatic and at times surrealistic (text "Saint Traumartin's procession" which is also printed in the 6 panel digipak), but also shares some electronic / rhythmic passages, ebb- and flow winds, metallic drones, etc.. - lim. 200 copies, 7 tracks, 72+ min.                  | €14,00  |
| 19 | <b>DISORDERED MENTAL TESTIMONIALS - Complete Therapy</b>            | CD         | Death Continues Records DCRCD018               | 2024 | psychiatric industrial inspired by different illnesses, each track is like a therapy session, to reach out for the "complete therapy" - DMT is a new conceptual project of DJINN from Italy, known from impressive releases on SLAUGHTER PROD. and OLD EUROPA CAFE... - "Silence and loneliness, the only sources of survival. Suicide, the emergency door for few people" - bleak analogue sounds, a clinical atmosphere.. a must for ATRAX MORGUE fans - lim. ed. comes in 6 panel digipak               | €13,00  |
| 20 | <b>DUPLANT, BRUNO &amp; SETH NEHIL - The Memory of Things</b>       | CD         | Sublime Retreat - SR013                        | 2022 | SETH NEHIL has always impressed us with his object-based dronescapes, for these 3 pieces he collaborated for the first time with the extremely active French sound-artist BRUNO DUPLANT, focused on the character of memories and how we connect them to "things"... => the music is complex and collage-like without losing the flow, lots of details float into the mix, of electronic, environmental and concrete (object) source, very rich and pretty unique! Only 100 copies were pressed of this CD | €13,00  |
| 21 | <b>E.G. |    |                                                 |            |                                     |      | inscriptions, going through various elemental stages.. - SEBASTIEN ROUX on the other side works with 50 sine / freq waves, self written algorithms and sounds of nature (sea, birds) *a fascinating meditation on the world of synthesis* - 500 copies pressed                                                                                                                                                                                                                                                      |        |
| 90 | <b>WOTHROSCH - Odium Magno</b>                  | CD         | Zazen Sounds - ZZS 144              | 2024 | a three piece Black Metal band from Greece that created an incredible "tour de force" one-tracker (40+ min.), a kind of sister-album to their debut "Odium" from 2023: extremely eerie, orchestral and powerful mixture of martial elements, spoken voice, beautiful ambient passages, field recordings, electronics... " the alter-ego of our debut album, "Odium", as well as a reflection and an interpretation of how it would have sounded, if it existed in parallel universe." - very lim. ed, to discover!! | €13,00 |
| 91 | <b>X-MAL DEUTSCHLAND - Gift - the 4AD years</b> | 3 x LP BOX | 4AD - 4AD0730LPX                    | 2025 | all material recorded for 4AD by the legendary all-female postpunk band from Hamburg, newly re-mastered: FETISCH (1983) , TOSCIN (1984), plus the INCUBUS SUCCUBUS and QUAL 12"es (1982 + 1983) - the vinyl box edition comes with 24 page photo book (25 x 25 cm) , lim. CLEAR vinyl                                                                                                                                                                                                                               | €60,00 |
| 92 | <b>ZACHARY, PAUL - A Meditation on Discord</b>  | CD         | Touch - TONE 67                     | 2019 | first full album by this violinist from L.A., three long pieces recorded partly with open tuning and in improvisation, - "This performance was both a premonition of night and an astral projection towards the clouds crawling towards the festival grounds, catalyzed by an instrument resonating with the frequencies of the earth." - one piece is a score for an abstract film, "a modern trance film"... a discovery for friends of minimal instrumental drones, comes w. oversized digipak                   | €13,00 |
| 93 | <b>ZERO KAMA - What is a Body?</b>              | CD         | Infinite Fog Productions - IF-122CD | 2024 | after many years a new studio album by the Austrian esoteric industrial project, who was also responsible for NEKROPHILE Records that gained cult status => "What is a Body?" is the ceremonial soundtrack for a lecture performance held in the "anatomical theatre" / Academy of Fine Arts Vienna, 2015... - *dark ritual music with transcendent drones and tribal parts. The music is not to talk about but to listen and disappear in...* - four panel digipak                                                 | €15,00 |

~~~~~

RECENT ARRIVALS: (en detail in the next Newsflash, but you can order already now, they are in stock or will be in stock in a few days!) :

VISIBLE SOUND (MAURICIO REYES & CM VON HAUSSWOLFF) - Nikola Tesla's Mattergy CD (Soleilmoon) - reworkings of archive recordings by C.M. VON HAUSSWOLFF and MAURICIO REYES- now resulting in two phantastic "industrial drone" pieces, resembling old HAFLER TRIO !! €15,00

RLW - Fading Pictures CD (Black Rose) - newest album by RLW who moves into very strong electroacoustic realms with eerie, powerful ambient walls and his hallmark of surprising sounds and changes with great dynamics.. - *His music is impossible to pigeonhole into one simple bracket. It is neither industrial or musique concrete, nor computer music nor improvisation.* €13,00

MUNDAL, ARE - Songs for the Anechoic Chamber LP (Telesterion Records) - the Norwegian dark post industrial surrealist is back and presents two side long somnambulant excursions into the "dead room" again.. lim. 100 copies only (numbered), oversized fold out collage cover + 2 inser €20,00

RELAY FOR DEATH - Mutual Consuming LP (Helen Scarsdale) re-issue of their ON CORROSION (georgous 10 x MC Tape box) album from 2019, lim. 199 copies €23,50

STROM NOIR - Jouska do-CD (Blue Marble 1972) - favoured artist STROM NOIR is back with an epic and simply enchanting album of timeless dronnig melancholia, warm and nostalgic €17,50

LEGENDARY PINK DOTS & MATT HOWARTH - Portals in the Storm CD (Soleilmoon) - unique soundtrack to a Comic story (!) which is included as PDF, the first time the Dots provided music for a visual medium => very experimental one-tracker 39+ minutes - lim. 500 US-import €17,50

COIL - Live One do-LP (Retractor-006) -first "real" live performance of COIL, on THIGHPAULSANDRA's label, for the first time on vinyl !! €36,00

AUTONISTER - One CD (Auf Abwegen) - a new Düsseldorf based, highly experimental trio with BERND KASTNER (STRAFE REBELLION), 'disruptions' is the key word here - € 13,00

MASIN, GIGI & GIUSEPPE CAPRIOLI - Moltitudine in Labirinto LP (Silentes) -re-issue of a CD from 2003, inspired by the labyrinth as a symbol for the human psyche and its hidden scopes €21,50

CONRAD, TONY / ARNOLD DREYBLATT / JIM O'ROURKE - Tonic 19-01-2001 LP (Black Truffle) - the only performance by the trio of CONRAD, DREYBLATT and O'ROURKE that ever happened! (New York 01-2001) €23,00

BIOTA - Measured not Found CD (ReR Megacorp) - the most special AvantFolk ensemble is back, more mellow and 'more variegated than ever... 26 tracks, 75+ min., 24 pages full colour booklet! €15,00

LITTLE ANNIE - With CD (Cold Spring) - a collection of LITTLE ANNIEs collaborations through the past years, with MARC ALMOND, COIL, SWANS... €15,00

IRISARRI, R.A. - A Fragile Geography LP (Black Knoll) - on 'A Fragile Geography' experimental ambient composer 'R.A. IRISARRI tried to reflect the frictions of the contemporary America he lives in, moving between beautiful/calm (but always super melancholic) passages and more intense, oppressing parts... - 10th anniversary ed. remastered, 200 copies black vinyl !! €28,50

KLEISTWAHR - Winter / Music for Zeitgeist Fighters CD (Fourth Dimension) - these are the KLEISTWAHR recordings from the great 'Corrosion' 10 x cassette box, and a vinyl from the mysterious Nashazphone label! €16,00

OJERUM - Drømme I Langsamt Stof CD (Glacial Movements) - "Dreams in Slow Matter" - a one-tracker that is based on field recordings of ice on a frozen lake - *fragile melodies and a deep sensitivity to stillness, memory, and decay... aims to create a cohesive, introspective world where time seems suspended and meaning slowly dissolves* - lim. 200 copies, 6 panel digipak €16,00

PHRAGMENTS & NEW RISEN THRONE - Between Ecstasy and Death LP (Winter-Light) - conceptual/'existential' dark ambience collaboration about the topics "Ecstasy" and "Death", each artist contributed two appropriate tracks which was then remixed-reworked by the other... - lim. 200 black vinyl € 22,50

AJNA - New Revelations of Being CD (Cyclic Law) - new album inspired by ANTONIN ARTAUDs "Artaud 1937 Apocalypse" - *AJNA channels Artaud's fragmented visions of destruction, renewal, and transcendence through a vast palette of subterranean drones, spectral resonances, and suffocating atmospherics. Each track unfolds like a psychic document, blurring the line between revelation and delirium..* €14,00

CONTAGIOUS ORGASM - Behind Closed Doors LP (Raubbau) - new 7-track album, LP only, exciting die-cut cover, lim. 100 !! €25,00

TREPANERINGSRITUALEN - Diadem of Fire BOOK + 7" (Ant-Zen ACT500) - collectors item: hardcover art book 48 pages (with extra inlays, sticker, etc.) plus 4 track 7" included €36,00

B*TONG - A Fleeting Moment of Superabundance LP (Force Majeure) rare B-TONG LP (the French label who released this is no longer - R.I.P. Stephane!) recorded during lockdown - lim. 300 very nice art sleeve €25,00

+ new on ELEVATOR BATH, finest evocative drones on vinyl:

HUERTA, DANIELA - Soplo 10" (eeaoa070) - debut solo album from very promising Mexican soundartist living in Berlin - "A hallucinatory array of vaporous atmospheres, illusory rhythms, vanishing voices, and evocative environmental recordings, "Soplo" (Spanish for 'breath') ruminates on the enduring resonance of storytelling." - lim. 200 copies black vinyl €18,00

LOPEZ, SUSANA - Materia Vibrante LP (eeaoa071) - *Small sounds and huge drones populate the surrealistic landscape of "Materia Vibrante", Susana López's gorgeous new album, her third for Elevator Bath and first on vinyl. this LP is filled with detail and emotive tranquility, while occasionally swelling with the intensity of a raging sea.* 200 copies black vinyl €22,50

SHEFFIELD, COLIN ANDREW - Serenade LP (eeaoa073) - following release to "Images" (2023), plundered elements from ~funk,soul,jazz,library records~ are transformed into melancholic drone-mandalas, with glimpses of their previous 'life' shining through... - 200 copies, US-import €22,50

MANGAN, FELICITY - String Figures LP (eeaoa074) - first solo LP for this Australian composer based in Berlin, connecting drone elements from strings, electromagnetic textures and field recordings into astonishing beauty and appealing structures... €22,50
