

~~~ Dear Droners, finally the the Newsflash for Juny - July 2026 ~~~ [#2}

**LABEL NEWS : Four releases OUT on Transgredient & in our SYM CD series! =>**

TROUM - EmphasYs CD and 2 x LP in two colour variants (Transgredient TR-15 / Cyclic Law) \*The music appears as colorful fluids, shining gases, iridescent ether.\*  
 IRR.APP.(ext) - Hymns to The Extrusiarch CD (SYM:09) : the surrealistic drone-collage master created an album about the mysterious force "The Extrusiarch"  
 VOICE OF EYE / THOMAS DIMUZIO / SORIAH - Aphelion CD (SYM:10) : ~ Far from the sun, on voyage to translucency! ~ The return of V.O.E. in collab.  
 with two other U.S. underground legends!!  
 MODELBAU - Muster CD (SYM:11) : two long tracks of somehow nostalgic, elementary low fi ambience, full of micro noise details and with a rich conceptual background....  
 ( more info see below / full info on webpage ! )

..a very varified update with lots of different stuff, old and new, some of our **personal highlights** include  
 ALICE KEMPs most disturbing LP "9 Dreams in Erotic Mourning" (re-issue of deleted MC)  
 the strong ethereal ritual split CD of KEMET and EMME YA,  
 LAURENT PERNICE's voyage music collection "Presque Nature" (CD),  
 LEA BERTUCCI, LEA & LAWRENCE ENGLISH - emotional field recording + ambient drone project "Chthonic" LP  
 ALESSANDRo BARBANERAs imaginary soundtrack to a film noir (CD)  
 EIN TRÄUMENDES PFERD "Horses (& Ice)" - unconscious (?) field recording beauty (USB stick and real Horseshoe!), or  
 ARASHS AKBARI with his never healing wound "Nasur" (CD on Owl Totem Recordings)

please send your orders & all communication to: [drone@dronerecords.de](mailto:drone@dronerecords.de), or use the order system on the website. **Please always mention the PRICES with your order!** **Full Stock List** link at the bottom... & best drones from... BarAka[H]

| 1   | <b>AALFANG MIT PFERDEKOPF - Esistgenug</b> | CD-R   | Attenuation Circuit – ACU 1089 | 2025  | the return of Drone Rec. 7" artist (DR-79) MIRKO UHLIG, who luckily got a bit more active again in the past years with his always inspiring mergings of subtle drones, field recordings and bizarre collage material... - the long title piece exists in two versions, total length almost 80 min., a very rare release, only 50 copies were made!!                                                                                | <b>€10,00</b> |
| 2   | <b>AGONIST SOUNDS No.1</b>                 | mag    | Noise Receptor guy             | 2025  | from the house of prolific NOISE RECEPTOR JOURNAL comes this new "industrial + noise" magazine, solely dedicated to INTERVIEWS only with artists from the scene: ANA FOSCA, XIPHOID DEMENTIA, ANALFABETISM, DAYOFWRATH, EMPTY VESSEL, LUST FIST, etc.. - 100 pages, cover art by KRISTIAN OLSSON, "Colour cover and professional greyscale with 'perfect bound' glue-bound spine"                                                  | <b>€12,00</b> |
| 3   | <b>AKBARI, ARASH - Nasur</b>               | CD     | Owl Totem Recordings - OTR-04  | 2025  | known for the great mCDR on TAALEM, this is the first full length of Iranian composer ARASH AKBARI we came across, a dark trip into dissovling noises, melancholic heavyness, atmospheric harshness, full of details.. - "nāsūr (نأسور) -meaning *a wound that refuses to heal* - traces the fragile hours between midnight and sunrise: a time suspended between agitation and surrender" - lim. 100 copies, highly recommended ! | <b>€13,00</b> |
| 4   | <b>ALIO DIE - Seamlessly Bliss</b>         | CD     | Hic Sunt Leones HSL 083        | 2016  | second studio album in 2016, three long tracks feat AGLAIA and LINGUA FUNGI => this must be one of the most smooth + delicate ambient albums ever, with wafts of ebbing and drifting bell sounds... - "behold sound as incense slowly rising and turning; filling the silent space with aromatics of sweetness and allure. Take rest.." - 300 copies digipack, back in stock !!                                                    | <b>€15,00</b> |

|    |                                                                              |     |                                     |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |        |

| 10 | <b>BARBANERA, ALESSANDRO - In Darkness let me dwell</b>                      | CD  | Owl Totem Recordings - OTR-02       | 2025 | an imaginary soundtrack to a dark film with lots of well arranged processed field recordings and harmonic, sometimes choral, episodes = floating, waving and droney... the title inspired by a quote from a piece by JOHN DOWLAND (1563-1626) - 2nd CD by this Italian (?) composer, absolutely to discover ! " the album deconstructs, reworks and wants to pay homage to the imagery and clichés of cinema noir.." - lim. 100 copies only                                            | €13,00 |
| 11 | <b>BASINSKI, WILLIAM - Melancholia</b>                                       | CD  | 2o62-0301                           | 2013 | re-issue of the early CD-R from 2003 with 14 shorter tape loop works, low fi and endlessly nostalgic... - "This music is so beautifully delicate and sad in its auto-reflective moods, it stands right there with everything ranging from the usual suspects in the 'ambient' field, to a distorted damp ghost of Claude Debussy or Maurice Ravel put into a time machine." [Touching Extremes] BACK IN STOCK                                                                          | €15,00 |
| 12 | <b>BASINSKI, WILLIAM - Silent Night</b>                                      | CD  | 2*62 2062.0401                      | 2014 | back in stock this meditative one-tracker CD (60 min.) performed on a *Voyetra 8* synth, originally released already in 2004 - "... it's a delicate cross of gentle intertwining melodies and cricket-like frequencies that instantly caress the nerves, inducing a state of relaxation and serenity. When compared to other Basinski's milestones, it is also a less dramatic piece but its significance..." [Touching Extremes]                                                      | €19,50 |
| 13 | <b>BASS COMMUNION &amp; MODELBAU - Analysis Reveals Nothing of Substance</b> | CD  | Lumberton Trading Company LUMB040CD | 2026 | phantastic new collab, these ten absorbing surrealist / spheric tracks were made in May 2024, when FRANS DE WAARD joined STEVEN WILSON on stage at Cafe OTO, preparing for their shows... - "In the manner of jazz improvisers of yore, there's something deeply alchemical afoot as the lo-fi field hisses and creaks, electronic gestures and opalescent patterns emulsify into                                                                                                      | €21,50 |

|    |                                                                               |           |                                            |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |               |
